Josef's son Josef (*1870) was illegitimate, but he admitted that he was the father and married his son's mother in 1871.

96. **Wanschura**, Krystof, * before 1674
Please note that the marriage notice is in really HARD to read czech
language and Currentscript. I am pretty sure the pastname means
"Wanczaurka" which is a declination (in czech language pastnames get
declinated!) of nominative "Wanschaura", but I am not 100% sure.

Is his ancestors are correct bases on this. I will try to get it
confirmed later.

Note: The last name is pretty hard to read, I am sure about "Nebost".
Another note on the firstname, it reads "Margyanu" which is a
declination (in Czech language names are declinated!) of nominative
"Marygi" which is in an old form of "Maria" in Czechia and to be seen
as equivalent to the name Maria. One person can be listed as "Marygi"
in one document and "Maria" in another document, I have seen this
before.

According to the soullist 1651 in this time there were two Georg Prokopecz in Jamnai. One is born ca. 1643 (if assuming the soullist was created around 1657 which up to now seemed a reliable assumption), the other around 1629. There is a dying record for a Georg Prokopecz without age at 1685. 1703 an Anna Prokopecz dies who is born around 1623. But the wife of the ca. 1629 born Georg is born around 1639. Also it is unknown which of the Georgs was the father of Johann Prokopecz (though I suspect the one born 1623, age estimations of very old people at their death records were often wrong).

There are three marriages of a Martin Chladek. Two of them are fairly sure of the same Martin, one of them lived in Weiprachitz and can't be the correct one (children are also born in Weiprachitz). The correct one also has relation to Dominik Schlesinger whose second wife later appears as Testes at the marriage of Susanna Chladek (this wife is his

second wife whom Dominik marries in 1701 as a widower).
